## Tabs

Customize your eCode iBar by adding your favorite sites for quick access to the ones you frequent most. Get the News, go Shopping, and Search faster and easier with multiple engines at your fingertips. All of the eCode iBar features are designed to be personalized, whether you want to buy theatre tickets, look into student loans, or even install a printer. Navigate the Web without the constraints of a portal !
## Electronic Wallet & Form Filler

Save time filling out online order and registration forms - the AutoFill function populates any online form with just one click. You also have the option of entering your Credit Card information, for simplified one-click shopping!

## Quick Favorites

Use your Quick Favorites to access your favorite destinations, and even AutoLogin™ into password-protected sites!
